1. **PURPOSE.** This Notice rescinds the requirement for public housing agencies (PHA) to submit Form HUD-52683, Program Utilization Report, and Form HUD-52685, Section 8 Moderate Rehabilitation Program Report on Program Utilization, semi-annually to the local HUD Field Office.
2. **BACKGROUND.** Form HUD-52683 was used to report the number of families with executed leases, the number of families issued certificates or housing choice vouchers, and project-based certificate activity. The report was submitted semi-annually. Form HUD-52685 was used to report the number of housing units authorized, number of units under agreement(s) to enter into a housing assistance payment (HAP) contract, number of assisted units under lease, and the number of assisted units under lease to elderly and disabled. PHAs reported the data by program.
3. **APPLICABILITY.** This Notice is applicable to all PHAs administering the Section 8 tenant-based assistance and moderate rehabilitation programs.
4. **PHA ACTION.** PHAs are relieved from submitting the Form HUD-52683 and HUD-52685 to the HUD field offices. Most of the data previously reported on the Form HUD-52683 and 52685 can now be obtained from the Multifamily Tenant Characteristics System (MTCS) or the HUD Central Accounting Program System (HUDCAPS).
